Sky Dive Challenge

Missionary Ventures

Missionary Ventures is a UK-registered Christian Charity working in some of the poorest countries in the world. We are seeing many lives changed through the projects we are able to support.

Your Support

These are just some of the projects that will benefit from the money raised:

- Relief work in Haiti – helping to piece together shattered lives through rebuilding homes, schools and churches
- Embo pre-school for poor Zulu children near Durban, South Africa – providing a basic education that would not otherwise be possible
- Baby feeding and medical programme in Sinazongwe, Zambia – helping to save the lives of these vulnerable children
- Health education training in Uganda – bringing much-needed teaching on basic hygiene, safe water and nutrition
- Orphan care in Tanaku and Hyderabad, India – giving them a hope and a future
- Outreach in Zambian prisons – giving them practical help, teaching new skills such as sewing and providing Christian study resources
- The Trust Children’s Centre in Mbarara, Uganda – providing a safe environment for former street kids
